ORDERS

The deadline for orders is **Friday, November 12.**

In order to maintain our high standards of service and manage orders with our small staff, we are limited in the number of orders we can receive. We are only doing packages this year instead of our normal a la carte menu to help streamline the process with our small team. Customers who order a package can add on appetizers or extras. We hope you can understand our position and decision for these changes.

DAY-OF-PURCHASES

If you are looking to place a small order and do not want to purchase a package, we will be posting our extras online for purchase starting at **8AM on Wednesday morning November 24th.** These extras will be a limited and are first come first serve. Please pick-up day-of purchases at the pickup window on our deck.

ORDER PICKUPS

Thanksgiving order pickups will be on **Wednesday, November 24th** at your assigned time in a drive-thru. Enter between KM Upholstery and Made in MA and follow the signs to drive-thru so we can put your order in your car and you can exit near our main entrance. There will be a police detail to help keep the line moving.

Please honor your pickup time so we can manage pickups and not fall behind. If you are sending someone to pick-up, please make sure they bring a mask, know what was ordered, their car is empty, and they arrive at the scheduled pickup time. Thank you so much for supporting our little local business!

*A 3.9958% product service charge will be added to your order; we offer a 3.9958% discount if you choose to pay by cash or check. This charge offsets our credit card costs and has afforded us the opportunity to provide medical and dental benefits to our employees.
